TUTORIAL

How to: Use Website Elements

1. After entering a starting address, the local search page appears. The default Category displayed is "Food & Drink". These are the 12 most popular consumer interest Categories. Refine a Category search using Subcategories found under the "Sort by:" feature on the right. The On Air Category is for live video feeds.
2. The image and business name are links that either go to their website, or a SEO page with more information; MAP-IT provides turn by turn directions and distance calculations that you can print or email.
3. The icons represent our Media Tray. Click for: Video, PDF menu or brochure, Coupons, Webcam and Chat.
4. To narrow search, enter a city name, however new cities may just across an intersection so use the MAP-IT distance calculator; and business subcategory, for example "Chinese" food to narrow your search.

Print or Email Destination Directions Overview

Click on the MAP link found on any listing (while it launches the MAP feature you may want to maximize this window). A popup appears providing instant distance calculations and turn-by-turn directions.

The destination may be near, or in a different community 100 miles away. In a snapshot, the hotel guest or consumer can determine if they want to proceed to this destination.

Click OK to close the distance box. To explore the area via Satellite imagery, click on the word "Aerial" on the blue bar of the MAP. Use your mouse track roller or the magnifying + on the left to zoom in – holding down your left mouse button will move the Satellite image around.

TUTORIAL

How to: Use Website Elements - Coupons

1. Click the dollar sign icon to open window from your Smartphone, or click to print it to redeem promotion.
2. It displays the business name, address and phone number.
3. The coupon / promotion, or special offer presented by the merchant. This is the same information that is automatically sent to Twitter.com/BuyLocalNow, Facebook.com/BuyItLocal and Facebook.com/BuyLocalNow. Be sure to follow and friend Seeingit.com on these, our Social Media outlets.
4. Expiration date of the promotion if any.
5. An image of the promotional offer.
6. The referred by, is the source address entered when logging into Seeingit.com. This is a hotel example.

TUTORIAL

How to: Use Website Elements - Video

1. Click on the film strip icon to launch a pre-recorded video. All formats can be uploaded, cell phone, camcorder or professional production. Now it's easy to stand before a Smartphone, and introduce yourself, the promotion or daily restaurant featured menu items.
2. To make the video appear full on the screen, click the expand screen tool on the lower video bar.

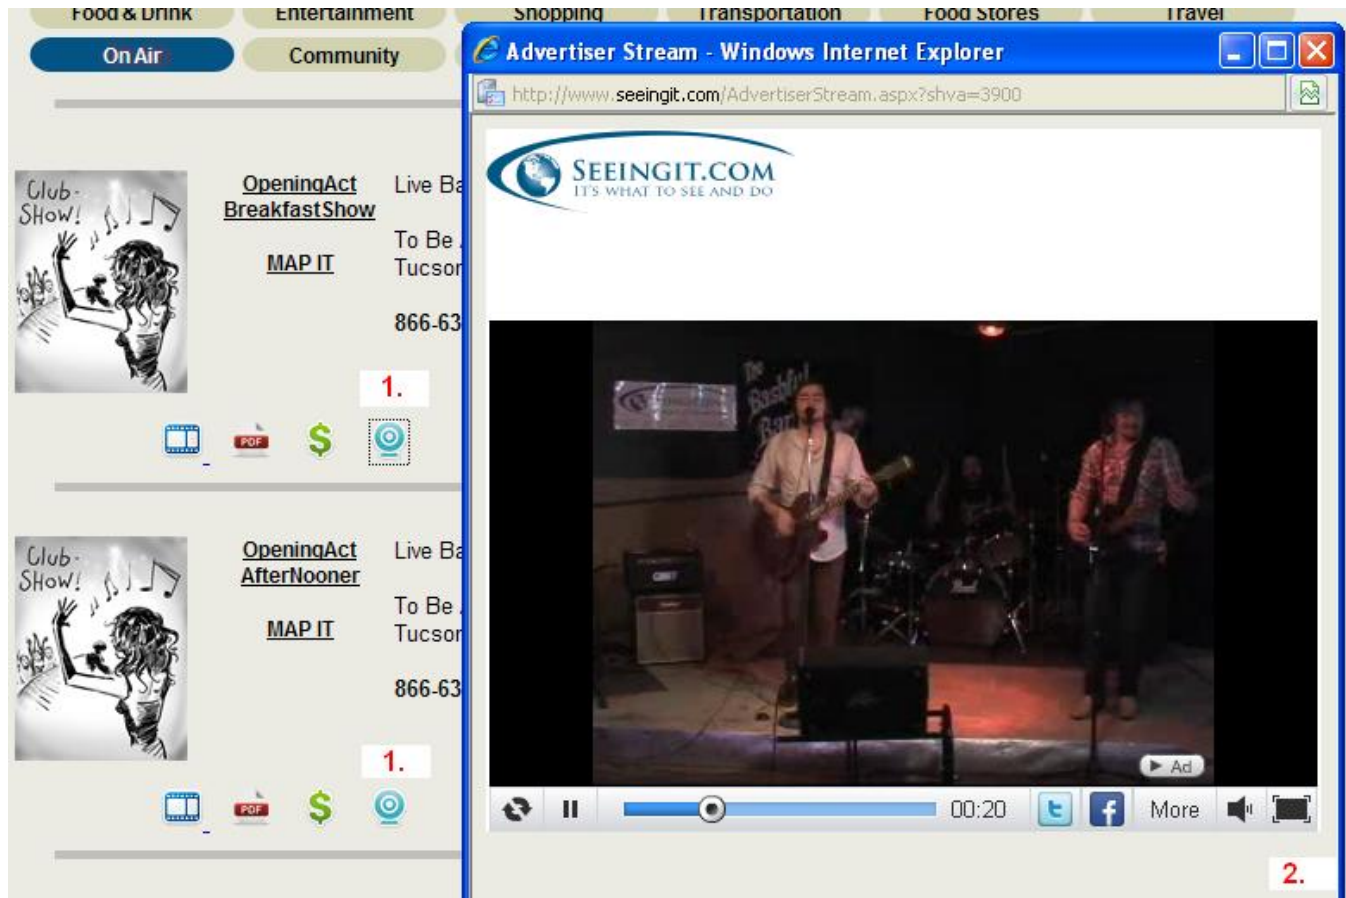

The screenshot shows the SEEINGIT.COM website interface. On the left, a vertical list of business listings is visible, including "Tucson Mcraw's Cantina" and "Glass Onion Café". Each listing has a thumbnail image, a "MAP IT" link, and a set of icons (a red "1.", a film strip, a PDF icon, and a green dollar sign). The right side of the screenshot shows a video player for "Glass Onion Café". The video player has a play button in the center and a progress bar at the bottom showing "00:01" out of "01:57". Below the video player, there are two links: "Email Video Link" and "More Info", with a red "2." next to the "More Info" link. At the bottom of the video player area, there is a "SHARE" button with social media icons for Facebook, Twitter, and YouTube.

TUTORIAL

How to: Use Website Elements – Live Streaming Video

1. Clicking on the webcam icon launches live streaming video, or if the show is not webcasting, it will launch the last recorded webcast. (For directions on setting up the webcast feature, see the webcam tutorial). Live streaming video is the latest marketing tool for businesses and restaurants. Consumers and computer users are often engaged in website news video, and video programming, and are expecting this media format. It builds trust as consumers can see the business or the person they are dealing with.
2. To make the video appear full on the screen, click the expand screen tool on the lower video bar.

The screenshot shows the SEEINGIT.COM website interface. At the top, there are navigation tabs for 'Food & Drink', 'Entertainment', 'Shopping', 'Transportation', 'Food Stores', and 'Travel'. Below these are buttons for 'On Air' and 'Community'. The main content area features two listings for 'OpeningAct' shows: 'BreakfastShow' and 'AfterNooner'. Each listing includes a 'Club-SHOW!' icon, a 'MAP IT' button, and a '1.' icon. A large video player window is open, displaying a live stream of a band performing on stage. The video player has a blue title bar and a control bar at the bottom with a play button, a progress bar (00:20), and social media icons for Twitter and Facebook. A red '2.' is placed over the expand screen button in the video player controls.
